## EDUCATION

### High School Diploma - Snohomish

Graduated Snohomish High School

### BFA- Eastern Washington University

Graduated with a BFA in visual communication design, in the spring of 2016. Specializing in UX design.

## EXPERIENCE

### July 2014 - June 2016

#### EWU Bookstore - UX & Visual Design Intern

Responsibilities included re-designing the website for mobile and desktop, conducting research, creating wireframes, prototyping and designing mock-ups. I also tracked store traffic via Google analytics. In addition I was in charge of social media and in-store graphics.

### June 2015 - September 2015

#### 14Four - UX & UI Intern

Worked with a team of designers on various micro-sites and apps. Conducted research and created user flows, site-maps, wireframes, prototypes, and sketches for both mobile and desktop. Clients included Chevy, Weber, Quaker, and Doritos.

### March 2015 - June 2015

#### Inlander - Design Intern

Designed for a variety of mediums including web and print. Created in-house ads, client ads, and client t-shirt design. Worked with art director on editorial layout and design. Headed the yearly magazine re-design of the Annual Manual.
